City Budget hits \$1,172,295 total

Setting a tax rate of 75 cents to raise much of the money, Hondo City Council Tuesday night approved a budget calling for expenditures totaling \$1,172,295.

Taking the money to be raised by various methods and adding to it some \$194,918.47 of unencumbered balance from this year's budget and topping it off with \$60,551 Revenue Sharing money, the Council thinks it will come out with a balance of approximately \$114,301.47 come June 30, 1975.

Estimated receipts and broken down in this manner: general fund \$123,049, water \$194,750, electric \$656,075, airfield \$57,353, revenue sharing \$60,551.

Estimated expenditures include: general fund \$230,344, water \$173,530, electric \$545,200, airfield \$54,221.

Proposed projects which are not included in the above estimated expenditures include: electric system \$28,000, water \$58,000 and street \$83,000 for a total of \$169,000.

Right now the bank balance shows: Hondo National Bank \$115,893.58; Medina Savings \$79,024.89.

Council members pointed out that some of the proposed projects would mean estimated outlays of money but some of this would come back in forms of payment for such items as paving, curbing, etc. There projects will be studied on their individual merit. Councilman R. V. Stanga made this a stipulation in approving the budget.

They also explained that the revenue sharing money will be expended according to government guidelines.

All these actions will affect the year-end balance, but it still should come out around the \$100,000 mark.

Proposed projects include: Water Department--laying of a 12 inch sewer line down Ave. E from 19th Street to 30th Street, \$40,000; portable lift station to be installed at sewer plant, \$8,000; new truck to replace old one, \$6,500; new 1/2 ton pickup truck, \$3,500 -- total \$58,000.

Electric System--1/2 ton pickup \$4,000; expansion of steel structure in the general electric substation back of Jack Winkler Motors to accept the 20MVA transformer capacity scheduled for summer peak of 1976, \$20,000; lease of crane to move transformers onto slab at the Universal Rundle substation, pour slab for regulators and the purchase of new metering equipment for Universal Rundle Corporation, \$4,000 -- total \$28,000.

Street Department--paving, \$40,000; curb and gutter, \$20,000; new equipment, \$23,000 -- total \$83,000.

Salaries take up nearly one-third of the new budget. These breakdown to read: water department, \$90,915; general fund, \$107,200; street department, \$77,400; electric system, \$80,000; airfield, \$17,993 -- total \$353,508.

The new tax rate is unchanged from this year, and shows 43 cents for operation and 32 cents for sinking fund and debt payment on a general indebtedness bonds.

Drilling operations give new life to oil field

New life has come to the old Taylor-Ina oil field near Yancey. First explored as early as 40 years ago, the field is currently being developed in a massive drilling operation.

About 250 new wells are being drilled by the Texas Secondary Oil Corporation. Thirteen have been completed since drilling commenced in January, and more will be drilled until the field is completed some time in 1976. Other companies are involved in similar operations in the area.

A new technique, called the "oil and sand frac" principle, will be used in the field. The operation consists of forcing a mixture of 350 barrels of crude oil plus 40,000 pounds of 8-12 sand into the well. The injected mixture helps to pry apart rock formations surrounding the oil-bearing strata, and allows the oil to pool into an enlarged underground space for pumping.

Through this operation the oil can be more easily and completely extracted from the ground.

Frac operations are handled by the Dow Well Corporation, working with Chesser Drilling Company for Texas Secondary.

By using the oil and sand frac method, newly drilled wells bring in 30 barrels a day, then settle to about 5-10 barrels a day for long periods of time. Where the field was once expected to be depleted by now, oil drilling representatives today give the field 20 more years of productive life.

One complete group of 97 wells is expected to produce a steady average of 450 barrels of oil per day when drilling is completed.

The expanded drilling comes at an opportune time for oil producers. Where oil was selling for only \$3 per barrel in the early 1950's, today oil from this field will bring \$10.05 per barrel.

Most crude from the Yancey field is refined in LaCoste, bringing the oil industry in Medina County full circle.

The operations are expected to expand into other areas of southern Medina County, and other drilling is already in progress in the area around Natalia.

The major obstacle to expansion seems to be in availability of pipe and other parts for drilling machinery. Worldwide demand for oil field equipment coupled with production shortages has caused a constant search for drilling apparatus.

But when the field is fully developed, oil will begin to take on new, larger meaning to the economy of the county.

Council gives ambulances back

The City of Hondo went out of the Emergency Ambulance Service Tuesday night. They dumped it back in the lap of the county by a unanimous vote.

Councilmen said they didn't want to spend Hondo money for an ambulance service used by other county residents from D'Hanis, Yancey, Quihi and other outlying areas.

Figures released at the Council meeting and used by Councilmen in determining their vote showed the ambulance service lost nearly \$2,000. But actual figures show that with accounts receivable the service has lost only \$213.52 in the past six months.

And the contract with the county assures the City of Hondo, as well as Castroville and Devine, that the county will make good any losses on this six months operations.

In turning the service back to the county, the Councilmen were strong in their belief it was (or is) costing city taxpayers city money. Councilman Hilmer Mueller said, "I don't care about the surrounding com-

munities like Yancey, Quihi, or D'Hanis. I'm concerned about Hondo. Let them pay their own way and not cost the City of Hondo.

A breakdown of the service operations show: Money received \$1,758.50, accounts receivable \$1,828.50 for a total of \$3,587.00.

A breakdown of expenses reveals: W. P. Guinn (as manager) \$2,070.00, drivers and/or aides \$1,365.00, laundry \$73.00, gasoline \$129.24, office supplies \$54.28, Medicare payment refunds \$109.00, for a total of \$3,800.52.

Subtract income from expenses and the balance is in the red \$213.52.

The question arose about accounts receivable not being ready cash. It was pointed out this was true, but unless these accounts are absolutely uncollectable they are considered as assets.

County Judge Jerome Decker was not in town Wednesday morning to comment on the move by the Hondo City Council.

Blood drive slated

If you haven't signed up for the semi-annual Hondo Blood Drive, which is scheduled for Friday and Saturday, it isn't too late.

Some 265 persons have pledged to donate blood so far. But if you are not among those 265 and you want to do a worthwhile thing this week, then call Sandy Schweers at 426-3582 or Susan Freeman at 426-3013 before 5 p.m. today (Thursday) or 426-4000 after that time. Or you can walk in to the VOE Building at the Hondo High School Friday from noon to 8 p.m. or Saturday 10 a.m. to 6 p.m.

The courteous workers from Blood Services will be happy to take a pint of your blood so that some unfortunate can survive.

Sandy Schweers has been heading the drive on behalf of the Hondo Junior Service League. These members will be assisted by other groups and individuals.

Can you give blood? Anyone between the ages of 17

and 66 can give, with the 17-year-olds needing a permission slip signed by a parent.

You can donate if: diabetes is controlled by diet, there has been no symptoms of malaria within three years, allergy shots are taken at least 72 hours prior to donating, pregnancy is not past third month and delivery is given at least six months prior to donating, antibiotics are taken no sooner than two weeks prior to donating.

Persons can give who do not have a history of the following diseases: hepatitis, jaundice, internal cancer surgery, medication for high blood pressure, heart disease, diabetes controlled by insulin or tablets, weight under 110 pounds.

Now the quota for this drive is 400 pints. Don't you want to add your name to the list and help make sure the city reaches that number, thus helping someone have blood when they really need it?

Corn Shucking will return to Hondo again on August 24

You can bet your last ear of corn on the fact Hondo is going to sponsor another Corn Shucking and Shelling contest this year.

In fact when the August 24 event rolls around it will be bigger, better and more entertaining than was the first one held last year.

Some definite changes were made in a planning meeting held June 14 in the County Extension Agents office. For the local event there will be four categories of competition.

A new division has been added for all youngsters 12 and below.

Also there will be a division for those boys and girls from 13 through 16. And, of course, the event will still feature a men's division and division for the women, with both divisions being for ages 17 on up.

Entry fee will be \$1.00 for all divisions except the youngest set and the fee there will be 50 cents.

Last year when the event was held for the first time 75 persons paid entry fees. This year contest officials are expecting more to enter this Hondo Chamber of Commerce

sponsored event.

"There has been some indication that several Castroville residents feel they are the best cornshuckers in the county," said County Agent Glenn Bragg. "So we are expecting them, as well as people from other areas, to enter the contest and prove it."

Tentative plans have the Hondo Art League providing the concessions again. If their plans fall through the County 4-H Leaders will perform the chore. Other plans are in the air right now and will be

announced later.

Much fun is in store again for the winners of the contest. They are sure to perform at the Texas Folklife Festival on September 15. And they have already been invited to the big two day show at the Astro Hall in Houston.

Last year Charles Halbadier, Mrs. Milton Heyen and Chris Heyen took on all comers at all these events and came out the top winners each time. So make your plans to come out August 24 for a lot of fun.

MIDDLE GROUND

... is where opponents at opposite ends of an argument seldom stand.

But middle ground is certainly where the City Council and the small group of people who go under various names [basically they are the same group of people] such as Brown Berets, Barrio Park Committee, Familias Unidas should gravitate toward.

The interests of all the people of Hondo would be better served if the two factions could find a middle ground solution to some of their problems.

City Council members have made gestures that have moved them toward the center, and I think on a whole they are interested in solving some of the problems that exists. However, on occasions they will bow their necks and not budge an inch.

The other group as far as I can see right now has no intentions of seeking a middle ground solution on any problem. They want it all their way or they will continue to cause trouble. Their goal is control and the various problems are just stepping stones toward that goal.

This attitude can do nothing but hurt any legitimate or reasonable cause they might have. Take the last City Council meeting for instance: They were asked to name a spokesman who could ask any and all questions of the City Council, but to keep down the hubbub from the remaining delegation.

To me this was a reasonable request. A City Council has much to discuss on city business and it cannot be carried on under such circumstances.

But they did not abide by this request. Their intention was to disrupt and disrupt they did. And by doing so, I believe they hurt their cause. Human nature is such that intimidation is resented; and that resentment cannot help but show up when other requests arise.

Now, the City Council was not one hundred per cent correct in its actions. I feel they were too abrupt in some instances with their answers [and this did not mark the first time such abruptness was evidenced]. I thought more effort could have been given to explain logical reasons for some decisions. Not that the explanations would have been accepted; but at least they would have been given.

I firmly believe these residents have a right to come to the City Council and state their problems and desires [note the word desires, not demands].

However, I feel just as strongly that their requests [as well as requests from any other groups or individuals] must be done in an orderly manner.

And even though I believe the City Council could use a little more diplomacy in their approach to such actions, I do not believe they should have to conduct their meetings under duress. They should never have to tolerate such conduct.

But on the other hand, if the Council insists on citizens "playing by the rules" set up by the Council, then the Council certainly should make every effort to "play by the rules set up by the state."

Members should make absolutely certain that when they meet in the City Manager's office prior to a regular meeting that not one single word is said about city business. This would be in violation of the new closed meeting law.

They should also make certain to remember that when they go into a closed session -- and the new law allows them to do so under certain conditions -- that no votes can be taken while in that session and they have to come "back into a regular session" to cast votes on anything discussed during the time they were in closed session.

Both sides would do well to look at what could be done to ease the tension instead of feeling the other is totally to blame. In other words, while examining the actions and reactions of each group, all concerned could remember the old adage: "What's good for the goose, is also good for the gander."

And what might be good for both the goose and the gander might not be good for all the goslings of the City of Hondo.

IMAGINE THE SURPRISE

... of the Glenn Goodings and the Bob Pedens of Hondo when they entered the lobby of their hotel in Geneva, Switzerland a couple of weeks ago and up strolls Joe Fohn [the one who has the store] with a Swiss cap atop his crewcut head. He stuck out his hand and said:

"Hello, there, the City of Hondo sent me over here to greet you people and wish you a good time."

Of course, it was only a coincidence. Joe and his wife had been on a 10 day tour of that area with the Southwestern Cattle Raisers

Letters to the editor

Dear Mr. Mendoza:
I want to let you know that I have been getting the Hondo Anvil Herald for quite some time and enjoy reading it very much.

I will be returning soon, and would like to know all about the history of Hondo, it does not have to be too much in detail, just like the maps and trails, and the Pioneers or the old settlers, not too far back, maybe just 15 or 20 years back.

I have a family and

would like to find a home there.

The reason I ask you is I guess you being working with the newspaper you would know about all there is about it.

Like I say all the city leaders come out in your paper and you keep the people well informed. I want to thank you for anything you can do for me.

Sincerely,

Dear Sir,
Enclosed is a picture of J. Murry Stephenson who is retiring from the School Teaching Business this month after 45 years of service. Murry was assistant football coach to Tom Bridges and head basketball coach in Hondo in 1942-43. His wife is the former Doris Ann Windrow of Hondo, daughter of the former W. H. Windrow.
Before moving to Hondo, Murry was a teacher

On June 29 (Saturday)
from 4:00 until 7:30 p.m.

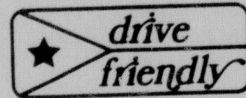

and coach in Cotulla, Texas for 13 years. When he left Hondo in 1943 he moved to Sinton, Texas where he has been teacher, coach of high school football, basketball, and baseball, and for the past seven years an Elementary School Principal. He coached for 38 years. He has been in Sinton 31 years.

Murry Stephenson will be honored with a Retirement Reception at the Fellowship Hall of the First United Methodist Church.

Please extend this invitation to friends, former students, and associates of Murry to attend the reception to be given in his honor by his children, Mr. and Mrs. John Murry Stephenson of Dallas, Texas, Rev. and Mrs. Harold Sassman of Pearlsall, Texas, Mr. and Mrs.

Gerald Phillips of Santa Ana, California, and Mr. and Mrs. Hughes Thomas of Sinton, Texas.

Thank you very much.

For those of us who consider Hondo the only place in the world, it's time to stop and realize the world is made up of many other fine places.

Now, seriously, if we expect other people to publicize our town and county then we must also tell our people about other places to see while on vacations or other trips. For instance:

Lee County is celebrating its Centennial over in Giddings this weekend. One can see a pageant, arts and crafts, parade, street dance and other entertaining happenings.

The Texas Woodland Trails program shows 14 nature trails in East Texas. A colorful folder can be obtained by writing Box 1488, Lufkin, Texas 75901.

"TEXAS", that marvelous musical drama, opens its 9th season in Palo Duro State Park this summer. Every Texan should see it. For reservations write Box 268, Canyon, Texas 79015.

Point Theatre at Ingram has opened its summer season. If you have seen a play there you should.

And if you want to know more about Medina County history why not come by our office and get a Medina County Trails Map. It shows historical sites on five lovely historical trails.

Letters we receive prove people want to come to Hondo.

"Gentlemen: Recently I was privileged to visit briefly in your area of Texas.

"I am seriously considering relocating in the area in or around Hondo.

"I would be greatly appreciative if you would furnish me whatever information you have available about your city. I am so interested in the number and types of industries, services, ranches, etc. and

the availability of employment in the area. Thank you for whatever information you can supply. Yours very truly, L. M. Barbee, Atlanta, Georgia."

And we do satisfy people with our efforts:

"Gentlemen: Thank you for your assistance in helping me locate a deer lease for the forthcoming season. I have now obtained a lease and need no further information.

"Thank you again for your continuing assistance and courtesy. Very truly yours, Robert J. King."

We had dozens of long distance calls this week. Helping generate many of them was the Rodeo Association. We won't list them but to give you an idea of where they came from: Indianapolis, Indiana, Austin, San Antonio, Devine, Alta Loma, Texas, Seagram, Andrew and Tyler.

Letters to the editor

Dear Mr. Mendoza:
I want to let you know that I have been getting the Hondo Anvil Herald for quite some time and enjoy reading it very much.
I will be returning soon, and would like to know all about the history of Hondo, it does not have to be too much in detail, just like the maps and trails, and the Pioneers or the old settlers, not too far back, maybe just 15 or 20 years back.
I have a family and

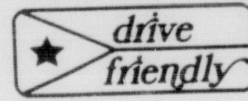

would like to find a home there.
The reason I ask you is I guess you being working with the newspaper you would know about all there is about it.
Like I say all the city leaders come out in your paper and you keep the people well informed. I want to thank you for anything you can do for me.
Sincerely,
Ramon R. Espinosa

Dear Sir,
Enclosed is a picture of J. Murry Stephenson who is retiring from the School Teaching Business this month after 45 years of service. Murry was assistant football coach to Tom Bridges and head basketball coach in Hondo in 1942-43. His wife is the former Doris Ann Windrow of Hondo, daughter of the former W. H. Windrow.
Before moving to Hondo, Murry was a teacher

and coach in Cotulla, Texas for 13 years. When he left Hondo in 1943 he moved to Sinton, Texas where he has been teacher, coach of high school football, basketball, and baseball, and for the past seven years an Elementary School Principal. He coached for 38 years. He has been in Sinton 31 years.

Murry Stephenson will be honored with a Retirement Reception at the Fellowship Hall of the First United Methodist Church.
Please extend this invitation to friends, former students, and associates of Murry to attend the reception to be given in his honor by his children, Mr. and Mrs. John Murry Stephenson of Dallas, Texas, Rev. and Mrs. Harold Sassman of Pearlsall, Texas, Mr. and Mrs.

Gerald Phillips of Santa Ana, California, and Mr. and Mrs. Hughes Thomas of Sinton, Texas.
Thank you very much.
Mrs. Murry Stephenson

For those of us who consider Hondo the only place in the world, it's time to stop and realize the world is made up of many other fine places.
Now, seriously, if we expect other people to publicize our town and county then we must also tell our people about other places to see while on vacations or other trips.
For instance:

Lee County is celebrating its Centennial over in Giddings this weekend. One can see a pageant, arts and crafts, parade, street dance and other entertaining happenings.
The Texas Woodland Trails program shows 14 nature trails in East Texas. A colorful folder can be obtained by writing Box 1488, Lufkin, Texas 75901.

Brucellosis eradication on increase in Texas cattle herds

Brucellosis eradication is well underway throughout the state of Texas following the passage of legislation by the last session of the Texas Legislature. Prior to this legislation, Texas was a modified-certified state and certain restrictions on cattle movement, as well as reduced prices out of the state, hampered the livestock industry.

A small number of ranchers and livestock commission companies have objected to the producers used by the Animal Health Commission. Under the quarantine provision of the law, it is a hardship for ranchers who have an infected herd. Nevertheless, as it was with hog cholera, the eradication is only temporarily painful to the industry.

I am convinced that the long-term gain is going to be very profitable and beneficial to the cattle industry of our state. It is possible to see the results of the campaign by the end of 1974 with total eradication possibly by 1980.

Statistics I have show that as of June 1, 1974 there were 14 herds under quarantine in Medina County.

The state had a total of 2,622 herds under quarantine at that time. This number of herds was owned by 2,217 individuals.

LIBRARY NEWS

Hondo Public Library is the recipient of ten fine books about Texas, as a gift from the San Antonio Public Library.

These books are *Women of Texas* by James M. Day and others, *Sea Shells of the Texas Coast*, Jean Andrews; *The Texas Cookbook*, Mary Faulk Kooch; *Lone Star: A History of Texas and the Texans*, T. R. Fehrenbach; *The Indians of Texas*, W. W. Newcomb; *Texas Law in Layman's Language*, Ralph Walton, and

Tales of Old-time Texas, J. Frank Dobie; *Spanish and Mexican Land Grants in the Chihuahuan Acquisition*, J. J. Bowden; *The Last Boom*, James A. Clark, and *Bounty and Donation Land Grants of Texas (1835-88)*, Thomas Lloyd Miller.

Other donations were welcomed from Georgene Deckart, paperbacks; Mr. and Mrs. Albert Vance, books and paperbacks; Mr. and Mrs. Greyford Rogers, books and paperbacks; Mary Weems, paperbacks, and Glenna Reilly and other members of the Reilly family, magazines and candy treats for young readers.

Still more gifts have come in from Mrs. Roberta (Brown) Hudspeth of Dallas, a large selection of paperbacks; Donna L. McGraw of D'Hanis, comic magazines, and Tom G. Kuykendall, a generous collection of books and paperbacks.

A varied group of

magazines have been contributed by Mr. and Mrs. O. M. Redus, Helen Richter and Mrs. Parker Hanna.

The Hondo chapter, Young Homemakers of Texas, started its Summer Story Hour at the library on Wednesday, June 12. Mrs. Bill Moos and Paula Moos told the following stories: "A.B.C.," "The Kitten Twins," "Big and Little," "Peter Liked to Draw" and "I Am a Girl." Candy treats were given also.

Young people at this first "Hour" were Jan Moss, Shelley Bragg, Sherry Oefinger, Christy Gwartney, Valerie Cole and Robin McGraw.

These Story Hours will be held every Wednesday, 3 to 4 p.m., for the next several weeks at the library by the Hondo Homemakers. All children, ages 4 through 7 are welcome to attend.

"These summer days are bringing many old and new readers to the library," says Mrs. Lottie Maw, librarian. "It is unpleasant to have to tell them that a certain book is unavailable because someone has not returned it on time. Please do return your overdue books so all can share."

"Regular library hours are 11:30 a.m. to 5:30 p.m., Monday through Friday," continues Mrs. Maw. "So, before you go on vacation, bring back your books. The bookdrop can be used at any hour."

Students graduate at A&M

COLLEGE STATION -- Three students from the Hondo area received degrees at Texas A&M University's spring commencement exercises.

A total of 1,961 degrees were awarded, including 1,626 undergraduates, 263 master's and 72 doctorates.

Hondo area undergraduate recipients include Kenneth Wallace Cooley, son of Mr. and Mrs. Kenneth Cooley, Rt. 1, Box 82, with a degree in accounting; Thomas Joseph Rothe, son of Mr. and Mrs. Joe W. Rothe, Box 85, D'Hanis, agricultural economics; and Timothy O. Wiemers, son of Mr. and Mrs. Alvin J. Wiemers, Tarpley Star Rt., mechanical engineering.

FT. KNOX, KY. -- Private Jesus R. Coronado, 22, son of Mr. and Mrs. Jesus T. Coronado, 916

Scholarship awarded to student

Wendy Marquart, daughter of CMSgt. and Mrs. Earl Marquart of Universal City, formerly of Hondo, recently won a music scholarship at Sam Houston State University. She was also the recipient of the William Malish Memorial Scholarship of Samuel Clemens High School.

As a member of the Clemens marching and concert band, she has won several awards in music which include: seven first divisions on U.I.L. solos, three first divisions on U.I.L. ensembles, membership in U.I.L. district band for 2 years and regional band for one year, voted "Outstanding Musician" in both her junior and senior years, flute section leader for one year and recipient of the John Phillip Sousa Award.

Wendy, the granddaughter of Mrs. Mary (Raymond) Wolff of D'Hanis, will be attending Sam Houston State University in the fall of 1974 as a flute student and a music education major.

Coronado finishes training

Ave. S. Hondo, completed eight weeks of basic training at the U. S. Army Training Center, Armor, Fort Knox.

He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and Army history and traditions.

Private Coronado's wife, Martha, also lives in Hondo.

Jordan participates in exercise

U.S. ARMY, KOREA -- Private Thomas S. Jordan, 18, son of Mrs. Alva F. Jordan, 2906 1/2 Ave. I, Hondo, took part in an Army Air Defense Command annual service practice at Sea Range in Korea.

He is a member of Battery D, 2nd Battalion of the 38th Air Defense Artillery Brigade's 71st Air Defense Artillery. All year long the firing

battery drills and trains for its air defense role in Korea and then gets to actually fire during the practice. Each battery of men prepares for the event for five days at Sea Range and fires the missile the sixth day.

Private Jordan's father, Clifford W. Jordan, lives in Manchester, Tenn.

Obituaries

ELGIN H. STIEGLER

Mr. Elgin H. Stiegler, 73, of Hondo died June 10, 1974 in Brown's Nursing Center, Hondo.

Born in Medina County May 21, 1901 to Fritz Stiegler and Minnie Schweers Stiegler, both now deceased, he lived his entire life in Medina County. A retired stock-farmer, he was a member of St. Paul Lutheran Church in Hondo.

He is preceded in death by his parents; his wife, Ella Fuos Stiegler; a son, Leonard Stiegler, and a daughter, Dorothy Strickland.

Survivors include grandson, Wayne Lester Stiegler of Kingsville Naval Air Station, Texas; daughter-in-law, Mrs. Barbara

Stiegler of San Antonio; brother Clifford Stiegler of San Antonio; and sisters, Mrs. Ben (Hilda) Wiemers, Mrs. Robert (Irene) Wiemers, and Mrs. Andrew (Janie) Muennink, all of Hondo; Mrs. Vernell Connel and Mrs. Virgie Gustafson of Garland, Texas, and Mrs. Janette Strickland of San Antonio.

Funeral services were held June 14 at St. Paul Lutheran Church with Rev. A. M. Hannemann officiating. Interment was in Quihi Cemetery.

Pallbearers included Curtis Wiemers, Jerry Muennink, John Schuehle Jr., Rolf Saathoff, Henry Winkler and Lynn W. Baby.

Funeral arrangements were by Guinn-Horger Funeral Home Hondo.

Country Jamboree set for June 20th opening

Great Country Roundhouse Jamboree is all set for its 1974 season, with the opening show June 20, at Villita Assembly Building. KKYX will co-sponsor the show again with Bill Rohde back as emcee. By popular demand, he'll give a repeat of his show-stopping interpretation of "Elvis".

George Chambers and the Country Gentlemen will be back this year with a new female vocalist that really belts 'em out. Her name is Patsy Coleman, and we promise you'll love her.

The Little Charmer, Bobby Flores, will be back, too. At 13 he's as good as Johnny What's-His-Name, and will be a lot better when he's 20-if his voice doesn't change.

Then we've got some really super Super Stars who will be coming in from Nashville, or wherever they happen to be recording, to lend their talents and support for our benefit show. (They know that our profits continue to help Opportunity Workshop for Retarded.) Opening night will find Larry

Gatlin center stage with "The Bigger They Are, The Harder They Fall". Others who have already promised to give us a night are Ronnie Sessions, Lefty Frizzell, Terry Stafford, Charlie McCoy, Darrell McCall, with still others to be announced as the summer season goes on.

Price is only \$2.00 for adults and \$1.00 for military. Kids under 12 are free.

A lot more than gas

The Li'l Hustler squeezes around 25 miles out of a gallon—about twice the national average for passenger cars. But great mileage is only one of Datsun's saving graces.

It costs less than you'd expect. It's a simple machine with low maintenance costs. And a computerized nationwide parts distribution system gets parts to you fast.

LIBRARY NEWS

Hondo Public Library is the recipient of ten fine books about Texas, as a gift from the San Antonio Public Library.

These books are *Women of Texas* by James M. Day and others, *Sea Shells of the Texas Coast*, Jean Andrews; *The Texas Cookbook*, Mary Faulk Kooch; *Lone Star: A History of Texas and the Texans*, T. R. Fehrenbach; *The Indians of Texas*, W. W. Newcomb; *Texas Law in Layman's Language*, Ralph Walton, and

Tales of Old-time Texas, J. Frank Dobie; *Spanish and Mexican Land Grants in the Chihuahuan Acquisition*, J. J. Bowden; *The Last Boom*, James A. Clark, and *Bounty and Donation Land Grants of Texas [1835-88]*, Thomas Lloyd Miller.

Other donations were welcomed from Georgene Deckart, paperbacks; Mr. and Mrs. Albert Vance, books and paperbacks; Mr. and Mrs. Greyford Rogers, books and paperbacks; Mary Weems, paperbacks, and Glenna Reilly and other members of the Reilly family, magazines and candy treats for young readers.

Still more gifts have come in from Mrs. Roberta (Brown) Hudspeth of Dallas, a large selection of paperbacks; Donna L. McGraw of D'Hanis, comic magazines, and Tom G. Kuykendall, a generous collection of books and paperbacks.

A varied group of

magazines have been contributed by Mr. and Mrs. O. M. Redus, Helen Richter and Mrs. Parker Hanna.

The Hondo chapter, Young Homemakers of Texas, started its Summer Story Hour at the library on Wednesday, June 12. Mrs. Bill Moos and Paula Moos told the following stories: "A.B.C.," "The Kitten Twins," "Big and Little," "Peter Liked to Draw," and "I Am a Girl."

Candy treats were given also. Young people at this first "Hour" were Jan Moss, Shelley Bragg, Sherry Oefinger, Christy Gwartney, Valerie Cole and Robin McGraw.

These Story Hours will be held every Wednesday, 3 to 4 p.m., for the next several weeks at the library by the Hondo Homemakers. All children, ages 4 through 7 are welcome to attend.

"These summer days are bringing many old and new readers to the library," says Mrs. Lottie Maw, librarian. "It is unpleasant to have to tell them that a certain book is unavailable because someone has not returned it on time. Please do return your overdue books so all can share."

"Regular library hours are 11:30 a.m. to 5:30 p.m., Monday through Friday," continues Mrs. Maw. "So, before you go on vacation, bring back your books. The bookdrop can be used at any hour."

Scholarship awarded to student

Wendy Marquart, daughter of CMSgt. and Mrs. Earl Marquart of Universal City, formerly of Hondo, recently won a music scholarship at Sam Houston State University. She was also the recipient of the William Malish Memorial Scholarship of Samuel Clemens High School.

As a member of the Clemens marching and concert band, she has won several awards in music which include: seven first divisions on U.I.L. solos, three first divisions on U.I.L. ensembles, membership in U.I.L. district band for 2 years and regional band for one year, voted "Outstanding Musician" in both her junior and senior years, flute section leader for one year and recipient of the John Phillip Sousa Award.

Wendy, the granddaughter of Mrs. Mary (Raymond) Wolff of D'Hanis, will be attending Sam Houston State University in the fall of 1974 as a flute student and a music education major.

Country Jamboree set for June 20th opening

Great Country Roundhouse Jamboree" is all set for its 1974 season, with the opening show June 20, at Villita Assembly Building. KKYX will co-sponsor the show again with Bill Rohde back as emcee. By popular demand, he'll give a repeat of his show-stopping interpretation of "Elvis."

George Chambers and the Country Gentlemen will be back this year with a new female vocalist that really belts 'em out. Her name is Patsy Coleman, and we promise you'll love her.

The Little Charmer, Bobby Flores, will be back, too. At 13 he's as good as Johnny What's-His-Name, and will be a lot better when he's 20-if his voice doesn't change.

Then we've got some really super Super Stars who will be coming in from Nashville, or wherever they happen to be recording, to lend their talents and support for our benefit show. (They know that our profits continue to help Opportunity Workshop for Retarded.) Opening night will find Larry

Gatlin center stage with "The Bigger They Are, The Harder They Fall". Others who have already promised to give us a night are Ronnie Sessions, Lefty Frizzell, Terry Stafford, Charlie McCoy, Darrell McCall, with still others to be announced as the summer season goes on.

Price is only \$2.00 for adults and \$1.00 for military. Kids under 12 are free.

Showers fete Miss Joyce Kowalik

Miscellaneous

On Sunday, May 5th, Miss Joyce Kowalik, bride-elect of Clayton Saathoff, was honored with a miscellaneous shower in the home of Mrs. Felix Kowalik Jr. in San Antonio.

Greeting the guests in the receiving line were the bride-to-be, Miss Kowalik; her mother, Mrs. Felix Kowalik; the groom's mother, Mrs. Stanley Saathoff; the bride's godmother, Mrs. Alois Wiatrek; and the groom's godmother, Mrs. Milton Leinweber.

Mrs. John Clearner, sister of the bride, presided at the bride's book in which 45 guests registered.

The serving table was covered with a white tablecloth and held a centerpiece of pink roses and daisies, with white stock.

The guests were served cake, punch, nuts and mints by Mrs. John Clearner and Mrs. Felix Kowalik III.

Hostesses for the shower were Mrs. John Clearner, Mrs. Felix Kowalik III, Mrs. Jim Dover, and Misses Susie Wiatrek, Kathleen Snoga, an Margie Gawlik.

Pounding Party

On Saturday, May 25th, Miss Kowalik and Mr. Clayton Saathoff were honored with an old-fashioned pounding at the home of Mr. and Mrs. Jonathan Meinen in San Antonio.

The spacious back yard and patio was the setting for the occasion and the honored couple were "Showered" with a large array of gifts for the kitchen and pantry.

In addition to Mr. and Mrs. Meinen, the party was also hosted by Mr. and Mrs. Alvin Kowalik.

Mr. and Mrs. Alfred Ray Breiten, Mr. and Mrs. Richard Schweers, Mr. and Mrs. Mike Crow and Mr. and Mrs. Dennis Schirmer. Refreshments were served to 24 guests.

Showers Tea

On Sunday, June 2, the St. Paul Lutheran Church Annex was the scene of a miscellaneous shower tea honoring Miss Joyce Kowalik.

In the receiving line were the bride-to-be; her mother, Mrs. Kowalik; the groom's mother, Mrs. Saathoff; Mrs. Leinweber, the groom's godmother; and the groom's grandmother, Mrs. Clara Nietenhoefer.

Miss Debbie Saathoff, sister of the groom, presided at the bride's book in which 50 guests registered.

The serving table was beautifully laid with a white tablecloth and held a centerpiece of assorted garden flowers and pink candles in crystal holders. Pink punch was served from a crystal punch bowl. Assorted cookies, nuts and mints were also served. Mrs. Jonathan Meinen and Mrs. Alvin Kowalik alternated in serving refreshments.

Hostesses for the occasion were Mmes. Chris Nietenhoefer, Elmer Nietenhoefer, Roy Nietenhoefer, Marvin Nietenhoefer, Henry Nietenhoefer, Milton Leinweber, Elroy Lindeburg, Marvin Beyer, Alfred Breiten, Rolf Saathoff, Ehme Saathoff, Harold Bohlen, George Dawson, Jim Cain, Milton Theis, Merlin Boehle, Leo Highsmith, L. A. Smith, George L. Brucks, R. J. Graff, Harry Haby, Alfred Neuman, Joe Neuman, Wesley Neuman, Charles Neuman, S. H. Parsons and J. D. Allen.

Rice Bag Party

The home of Mrs. Gorman Sekula in San Antonio was the scene of a personal shower and rice bag party given in honor of Miss Kowalik with Mrs. Gene Warzecha and Mrs. Gorman Sekula as hostesses.

Rice bags were made by the guests after which Miss Kowalik opened the many beautiful gifts. The serving table was laid with a white tablecloth and a centerpiece of lavender and white flowers and white candles.

Punch, cake and mints were served to 14 guests.

The Bendele reunion was held June 9 at Koenig Park, Castroville, with over 200 in attendance.

After a basket lunch, a business meeting was held with Lewis Bendele as master of ceremonies. It was agreed to hold the 1975 reunion on the third Sunday in June. This will include a free barbecue lunch.

A moment of silent prayer for the deceased members who passed away since the last reunion was led by Lewis Bendele.

The following officers were elected to serve for the next two years: Ernest N. Bendele, president; Robert (Bud) Bendele, vice-president; Jerome Weynand, secretary; Mrs. Annie Crain, treasurer; and Mrs. Nora K. Gibson, reporter.

Excerpts from Houston high school commencement addresses appeared in a Sunday issue of a newspaper from that city.

This one impressed me the most: "We are now facing a multitude of shortages [as the news reports indicate]. But there is one shortage we cannot afford to face and that is the shortage of THOUGHT. Thought is man's main priming tool. With it he can do anything he sets his mind to do."

Some homely aphorisms take slow digesting to be appreciated. Turn your digestive juices loose on this one: "Trying to trace a rumor is like trying to shovel smoke."

And to wind up the June-isms: "Marriage is nothing more than a girl tying her beau into a hard knot."

Have you noticed any increase in the armadillo population down Texas way? Blame it on the weather, and here are some of the facts to substantiate the whys and wherefores:

Climatologists who, says a British meteorologist, are dedicated to the "dullest branch" of meteorology, make scientific studies of long-term weather conditions.

Based on their reports and charts, covering temperatures through geological time and periods as long as 700,000 years ago and including the last one thousand years, the world has been experiencing a 50-year balmy spell which is now ended. [Balmy, they said]

Now we might be in for a series of hot times in the old town some nights. Armadillos are one of the "signs".

During the past half-century warming trend, the North American 'dillos [known also as Dasypus novemcinctus mexicanus] - perhaps because it takes nine bands to hold up their tough armor - ranged as far north as Nebraska to keep their cool. Now they are reported to be headed back this-away to come in from the cold.

That's weather for you . . . and animals . . . and humans. Some like it hot, some like it cold. I prefer assorted. Texas style.

Maybe even your best friends won't tell you, but fish will sure stay away from your favorite bait if your hands have "serine", a type of amino acid which is identified by all sorts of little chemical letters and figures beyond my comprehension.

Fish, said the article which I read recently, are "endowed with olfaction" . . . which means they have a sense of smell [keener than that of humans].

Fish do smell . . . and smell . . . and I learned that without having to bother the dictionary.

Maybe the National Hurricane Center in Miami is confused just like some of the rest of us.

Head man at the center is quoted as saying, "The further you get away from the last [hurricane], the closer you get to the next one."

Agreed. But then he goes on to point out that "The hurricane season starts officially June 1 and runs through Nov. 31." Or, he was so quoted in a June 2 Grit magazine.

What ever happened to the old reliable "Thirty days hath . . .?"

DONALD E. WENZL, Ph.D. [now of Salt Lake City, Utah] whose picture appeared on page 5 of the 6/6 Anvil Herald, was among my good friends when he was "the advertising man", getting about town in his wheel chair which covered a lot of mileage.

The "frown" might add dignity to a more mature man, but I can only remember the goodnatured smile that which he usually wore.

Don has overcome tremendous odds to get where he was determined to go all along. I hope his Hondo friends will extend the congratulations he so well deserves.

How about that group picture of the recent Hondo GED grads? Goody for them, and an extra "goody" for my former A co-worker [and still treasured friend] JUANITA [Mrs. C. E.] HACKEBEIL.

The Country Squares probably threw a snazzy dance in her honor.

I'll take Medina County's HD Agent, GAYE BIPPERT's word for it about "fusible" sewing products having a lot to offer for those who sew. But, I'd reserve doubts about "those who don't" since I fall in that category.

Many's the time I've been led to the sewing machine and it didn't "take". However, the fusible idea does sound "feasible".

Also, many's the time that which I sewed, that I also had to rip.

Says a news filler: "Home gardeners might question such inconsistency but one single square yard of earth can support more than 100,000 insects; but it takes 21 acres to support one human, plus all the work required."

Our mini-garden is contributing its share toward supporting various and sundry insects with voracious appetites. However, it is also keeping two adults in occasional treats of okra, green beans, tomatoes, strawberries, peppers, parsley, onions, mint [courtesy a start from GERTIE CARLE] and is also contributing to the water department's monthly take when it doesn't rain.

Have you noticed any increase in the armadillo population down Texas way? Blame it on the weather, and here are some of the facts to substantiate the whys and wherefores:

Climatologists who, says a British meteorologist, are dedicated to the "dullest branch" of meteorology, make scientific studies of long-term weather conditions.

Based on their reports and charts, covering temperatures through geological time and periods as long as 700,000 years ago and including the last one thousand years, the world has been experiencing a 50-year balmy spell which is now ended. [Balmy, they said]

Now we might be in for a series of hot times in the old town some nights. Armadillos are one of the "signs".

During the past half-century warming trend, the North American "dillos" [known also as *Dasyproctes novemcinctus mexicanus*] - perhaps because it takes nine bands to hold up their tough armor - ranged as far north as Nebraska to keep their cool. Now they are reported to be headed back this-away to come in from the cold.

That's weather for you . . . and animals . . . and humans. Some like it hot, some like it cold. I prefer assorted. Texas style.

Maybe even your best friends won't tell you, but fish will sure stay away from your favorite bait if your hands have "serine", a type of amino acid which is identified by all sorts of little chemical letters and figures beyond my comprehension.

Fish, said the article which I read recently, are "endowed with olfaction" . . . which means they have a sense of smell [keener than that of humans].

Fish do smell . . . and smell . . . and I learned that without having to bother the dictionary.

Maybe the National Hurricane Center in Miami is confused just like some of the rest of us.

Head man at the center is quoted as saying, "The further you get away from the last [hurricane], the closer you get to the next one."

Agreed. But then he goes on to point out that "The hurricane season starts officially June 1 and runs through Nov. 31." Or, he was so quoted in a June 2 Grit magazine.

What ever happened to the old reliable "Thirty days hath . . .?"

DONALD E. WENZL, Ph.D. [now of Salt Lake City, Utah] whose picture appeared on page 5 of the 6/6 Anvil Herald, was among my good friends when he was "the advertising man", getting about town in his wheel chair which covered a lot of mileage.

The "frown" might add dignity to a more mature man, but I can only remember the goodnatured smile that which he usually wore.

Don has overcome tremendous odds to get where he was determined to go all along. I hope his Hondo friends will extend the congratulations he so well deserves.

How about that group picture of the recent Hondo GED grads? Goody for them, and an extra "goody" for my former A co-worker [and still treasured friend] JUANITA [Mrs. C. E.] HACKEBEL.

The Country Squares probably threw a special dance in her honor.

I'll take Medina County's HD Agent, GAYE BIPPERT's word for it about "fusible" sewing products having a lot to offer for those who sew. But, I'd reserve doubts about "those who don't" since I fall in that category.

Many's the time I've been led to the sewing machine and it didn't "take". However, the fusible idea does sound "feasible".

Also, many's the time that which I sewed, that I also had to rip.

Says a news filler: "Home gardeners might question such inconsistency but one single square yard of earth can support more than 100,000 insects; but it takes 21 acres to support one human, plus all the work required."

Our mini-garden is contributing its share toward supporting various and sundry insects with voracious appetites. However, it is also keeping two adults in occasional treats of okra, green beans, tomatoes, strawberries, peppers, parsley, onions, mint [courtesy a start from GERTIE CARLE] and is also contributing to the water department's monthly take when it doesn't rain.

Excerpts from Houston high school commencement addresses appeared in a Sunday issue of a newspaper from that city.

This one impressed me the most: "We are now facing a multitude of shortages [as the news reports indicate]. But there is one shortage we cannot afford to face and that is the shortage of THOUGHT. Thought is man's main priming tool. With it he can do anything he sets his mind to do."

Some homely aphorisms take slow digesting to be appreciated. Turn your digestive juices loose on this one: "Trying to trace a rumor is like trying to shovel smoke."

And to wind up the June-isms: "Marriage is nothing more than a girl tying her beau into a hard knot."

WARM WEATHER AHEAD - TIME TO GET IN SHAPE

Before we know it the lazy days of summer will be here and jackets will be traded in for bathing suits and shorts. Many of us are taking a more critical look in the mirror and finding those extra pounds we picked up last Christmas are still there. There's still enough time for a sensible diet, the type that gets rid of inches as well as pounds and helps you keep them off.

Be sure to get your doctor's advice before dieting. He can give you the best plan to follow so you won't sacrifice your health for your looks. And if we can supply you with anything you might need we'll be more than pleased.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

Duffin-Pue vows exchanged

The wedding of Miss Yvonne Mae Pue and Christopher John Duffin was solemnized on Saturday evening at 7:30 June 22 in St. Luke's Catholic Church with Rev. Tony Costantino performing the double-ring ceremony.

Mr. and Mrs. Roger S. Pue are parents of the bride and Mr. and Mrs. Jack L. Duffin are parents of the groom.

Preceding the ceremony Mrs. Matt Dugosh of Mico entertained the guests on the organ with "O Perfect Love," "The Rosary," "O Promise Me" and also the traditional wedding march and Ave Maria at the offertory. Miss Rachel Rodriguez played the guitar and sang the Wedding Song at the Communion.

The bride, given in marriage by her father, chose a gown of silk organza with a full circular skirt extending into a train. The bodice was embellished with lace of tiny daisies and pearls. Her headpiece embellished with lace of tiny daisies and pearls, held her shoulder-length veil of silk tulle. She carried a bouquet of tulle and daisies.

Her attendants were Miss Susan Ulrich, maid of honor; Mrs. Denise Haegelin, matron of honor; and Misses Cynthia and Brenda Pue, sisters of the bride, Tina and Terri Love, bridesmaids. They wore floor-length gowns of lemon yellow crepe bordered with white lace, large picture hats trimmed with daisies and carried bouquets of daisies.

Best man was Robert Mander. Groomsmen were Sherman Pue, brother of the bride, Greg Hanna, David Duffin, Bill Forehand and Charlie Gay.

Diane Duffin, sister of the groom, was flower girl and Mark Hamilton was ring bearer. Charles Philip, Kevin Koch and Brock Hamilton were ushers.

For her daughter's wedding, Mrs. Pue chose a floor-length A-line beige crepe trimmed in peach and purple, with accessories of peach and a corsage of deep purple orchids. Mrs. Duffin, mother of the groom, wore a light green full-length chiffon with beaded collar and cuffs and matching accessories, with a white and yellow orchid corsage.

Following the ceremony a reception was held in the Parish Hall. Miss Melissa Koch presided over the bride's book.

The table was covered with a white linen cloth and a yellow gathered net, encircled the large arrangement of daisies, crystal candleholders with yellow candles. Cakes were served by Misses Markey Bennett and Mary Chancey, coffee by Miss Stephanie Fraser and punch by Misses Cathy Gill and Mary Ellen Koch. Miss Karen Koch was in charge

of the gift table. Side table of dips, chips, mints and nuts, tamales and other drinks were served.

After a short wedding trip to the Coast, the young couple will live in San Antonio.

Rehearsal Dinner

The rehearsal dinner for the Duffin-Pue wedding was held at the Barn Door on Friday evening, June 21, at 7:30. Hosts were the groom's parents, Mr. and Mrs. Duffin. Guests were the bride's parents, Mr. and Mrs. Roger Pue, parents of the bride, and Mr. and Mrs. Matt Dugosh of Mico.

A pottery shower was given by Mrs. Malcom Henigan and Mrs. David Duffin. Mesdames Tyrus Koch and Matt Dugosh gave a linen shower; pantry by Mrs. James Hasbrook and a miscellaneous shower by the bride's attendants.

Dinner

Miss Yvonne Pue and Christopher Duffin were the honored guests at a dinner in the home of Mr. and Mrs. Matt Dugosh in Mico on Sunday, June 9th. Other guests were Mr. and Mrs. Roger Pue and daughter, Carol Lea, Mr. and Mrs. Arthur Pue and daughter, Diane, all of San Antonio.

IT'S GOOD FOR YOU

Bill Butler, RPH.

Taste will tell. Two Connecticut scientists conducted a freshness quality study on milk, potato salad and cold slaw. Conclusion: bacteriological tests are less accurate than your own taste buds.

A Czech nutritionist claims that four or five small meals during day are less likely to add weight than one or two large meals. Also lessen your chance of developing heart disease.

It's been three years since a case of smallpox was recorded in North or South America.

Good exercise -- gardening burns up 220 calories per hour, compared with 210 for bicycling.

Some hospitals have found that bed-side flowers in stagnant water are a source of bacteria. They're forbidding them in surgical or newborn intensive-care units.

Don't send flowers -- bring refreshing cologne or an entertaining paperback from DAN'S DRUG, 3305. We've a good selection of get-well cards, too.

We salute Hondo

Cards still lead Highway 90 League

D'Hanis still holds a commanding lead over the Highway 90 League, main-

taining its undefeated status Sunday with a 19-0 win over Charlotte. The

Cardinals now stand 7-0. Meanwhile, second place Medina Valley stayed in range with an 11-2 win over the Hondo Eagles. The '90s are at 5-1. Pearsall's Tigers are in third place at 4-3, thanks to a 6-4 victory over Castroville. In fourth place are the Hondo Eagles with a 2-4 record. Castroville's Giants and the Charlotte Pirates are tied in the cellar, 1-6 apiece.

No league games are scheduled for Sunday, but the following three Sundays will wrap up the regular season for the new baseball league.

D'Hanis Cardinals extended their Highway 90 League win streak with a 19-0 seven-inning victory over the Charlotte Pirates.

The Cards unleashed a 14-hit attack that included a home run by Mike Keefe in the fifth inning, six doubles and two triples.

Winning pitcher was Walt Rothe, who allowed no baserunners through four innings. Tom Attaway took the mound in relief. The Pirates managed one hit, a two-out single by Paisano in the final inning which spoiled the no-hitter for D'Hanis.

Leading D'Hanis hitters were Johnny Zinsmeyer with a double and two singles, Keefe with a homer and a double, and Chris Finger with two doubles. Charlie Rothe rapped a long triple and scored on a bad throw.

OPEN ADMISSIONS POLICY STATEMENT FOR A NURSING HOME

It is the policy of the Leisure Lodge Nursing Center, Hondo, to admit and treat all patients without regard to race, color, or national origin.

The same requirements for admission are applied to all, and patients are assigned within the nursing home without regard to race, color, or national origin. There is no distinction in eligibility for, or in manner providing, any patient service provided by or through the nursing home. All facilities of the nursing home are available without distinction to all patients and visitors, regardless of race, color, or national origin. All persons and organizations that have occasion either to refer patients for admission or recommend the Leisure Lodge Nursing Center, Hondo, are advised to do so without regard to patients race, color, or national origin.

How kids can help save energy.

You'll be surprised how easy it will be for you to conserve energy. Put an X in the box in front of each way you think you can help.

PS. Parents: Have your children seen this message? If not, you may want to call it to their attention. Cut it out and use it to remind your children that they can help you and all of us conserve energy in many ways.

- ☐ Don't keep the refrigerator or freezer door open any longer than necessary.
- ☐ Turn off the lights when you leave a room.
- ☐ Turn off the TV set when no one is watching it.
- ☐ Turn off the radio or record player when no one is listening.
- ☐ Be sure the hot water is turned off after you've used it. Remind your mom or dad when a faucet leaks and needs repairing.
- ☐ Don't turn on more lights than you really need.
- ☐ If the furnace or air-conditioner is running, keep the doors closed. And don't make unnecessary trips in and out of the house.
- ☐ Ride the bus whenever you can, rather than asking your parents to drive you.
- ☐ Ride your bike or walk to the store for your parents. If they don't run the car, they will save gasoline.

- ☐ Help plan family errands that require the car so they can all be done at one time.
 - ☐ If you're a little cool, don't ask your parents to turn up the thermostat. A sweater will warm you up.
 - ☐ Tell your parents if heating or cooling ducts are blocked by furniture or draperies.
 - ☐ If no one uses a particular room, close the heat registers and keep the door shut.
 - ☐ If you're helping with cooking, use an element that is about the same size as the pan. And don't be an oven-peeper.
 - ☐ If the sun is shining on a cold day, open the drapes so the sun can help heat up your house.
 - ☐ If you have a fireplace, be sure the damper is closed when there is no fire. Otherwise, heat will escape up the chimney.
- Write down any other energy conservation methods you can think of on these extra lines. Mark those boxes too.

- ☐ If the furnace or air-conditioner is running, keep the doors closed. And don't make unnecessary trips in and out of the house.
- ☐ Ride the bus whenever you can, rather than asking your parents to drive you.
- ☐ Ride your bike or walk to the store for your parents. If they don't run the car, they will save gasoline.

- ☐ Help plan family errands that require the car so they can all be done at one time.
- ☐ If you're a little cool, don't ask your parents to turn up the thermostat. A sweater will warm you up.

- ☐ Tell your parents if heating or cooling ducts are blocked by furniture or draperies.
- ☐ If no one uses a particular room, close the heat registers and keep the door shut.
- ☐ If you're helping with cooking, use an element that is about the same size as the pan. And don't be an oven-peeper.
- ☐ If the sun is shining on a cold day, open the drapes so the sun can help heat up your house.
- ☐ If you have a fireplace, be sure the damper is closed when there is no fire. Otherwise, heat will escape up the chimney.

Write down any other energy conservation methods you can think of on these extra lines. Mark those boxes too.

Reservation begins 9th season

The Alabama-Coushatta Indian Reservation's ninth tourist season began with a "pow" as Indians from several tribes joined with the East Texas Indians for the annual All Indian Pow-Wow held at the East Texas Indian Reservation near Livingston on May 31 and June 1. The annual event began with a colorful procession of all the Indians in full regalia followed by an Indian Flag Song which compares with the National Anthem.

Georgette Palmer, a Kiowa Indian girl from Cache, Oklahoma, thrilled the spectators with a special hoop dance performance. She also competed in the junior division men's war dance contest and came on top for the second year in a row.

The East Texas vacation spot will now be open each day from 9 a.m. to 6 p.m. and Sundays from 12:30 p.m. to 6 p.m. The Alabama-Coushatta Indian dancers will perform several times each day. Located 90 miles north of Houston on U.S. Highway 190, the East Texas Indian Reservation's other activities include a Big Thicket Tour, Train Ride, Living Indian Village Tour, Indian Country Tour and a Big Thicket Reptile Garden Tour.
